# THE DIAMOND 'D' DIFFERENCE

**NEW  
PRODUCT**

## DIAMOND 'D' CAST REGULAR DUTY C-CLAMPS

*Great for:*

- Metal Fabrication
- Woodworking
- Other Work Holding Applications
- Both Home and Industrial Use

## QUALITY FIRST

These clamps feature a C-shaped frame, and can be used to hold together workpieces in process. They are available in a wide range of sizes, throat depths, and capacities to help you provide a secure hold on your work. Use them for holding wood and metal tight during gluing or welding projects.

## CAST REGULAR DUTY C-CLAMPS

PART NUMBER	NOMINAL SIZE	OPENING (MIN-MAX)	THROAT DEPTH	SCREW DIA.	HOLDING CAPACITY (LBS)	APROX WEIGHT
